

DUKE OF EDINBURGH AWARD SUPPORT

We Make the Expedition Happen.

Equipment, facilitators, and a complete outdoor program.

You bring the students. We handle the rest.

AT A GLANCE

Up to 100 students per program

3 package tiers from rental to fully managed

Lagos, Nigeria with national reach

Camping Nigeria is not an Award operator. We support schools and families by delivering the outdoor component of the Award. Equipment, trained facilitators, and a structured program. Your Award Coordinator or Licensed Operator manages the compliance side. We make the expedition itself work.
